

# GWS-ERP Acceptance Test

Checklist per user · 29 accounts · build of 29 September 2026

## How to use this manual

**Before testing:** On the office Mac run `pnpm install`, `pnpm update-db` and `pnpm dev`. Keep that window open and use `http://localhost:5173`.

**Password:** Every sample account uses `ChangeMe!2026`. On first sign-in, accept the accountability statement.

**One page set per person:** Each account starts on a new page. Print only the pages for the person testing, or the separate PDF for that account.

**Marking:** Do each numbered step, compare with “You should see”, then tick Pass, Fail or N/A. For every Fail, write what happened in Notes (and the screenshot name if you took one).

**Two roles at once:** Many checks need another account to act first. Follow the flow order on the next page, and use two browsers (for example Safari and Chrome) to be two people.

**When done:** Count the ticks in the result box, sign, and hand the pages to the Owner. Send every Fail to the developer with its account and check number (for example `sales.westave SA-14`).

## Accounts in this manual

| Username                   | Role / branch        | Checks | Tester |
|----------------------------|----------------------|--------|--------|
| Owner and auditors         |                      |        |        |
| <code>admin</code>         | Owner (Admin)        | 42     |        |
| <code>head.auditor</code>  | Head Auditor         | 32     |        |
| <code>asst.auditor</code>  | Asst Auditor         | 12     |        |
| <code>audit.assoc</code>   | Audit Associate      | 11     |        |
| <code>field.auditor</code> | Field Auditor        | 8      |        |
| <code>ext.auditor</code>   | External Auditor     | 6      |        |
| Warehouse                  |                      |        |        |
| <code>wh.incharge</code>   | Warehouse In-Charge  | 26     |        |
| <code>wh.assoc</code>      | Warehouse Associate  | 15     |        |
| Branches                   |                      |        |        |
| <code>sales.westave</code> | West Ave (full test) | 64     |        |
| <code>sales.csr</code>     | CSR                  | 23     |        |
| <code>sales.imus</code>    | Imus Cavite          | 23     |        |
| <code>sales.laguna</code>  | Laguna               | 23     |        |
| <code>sales.dasma</code>   | Dasmariñas           | 23     |        |

| Username                    | Role / branch                | Checks | Tester |
|-----------------------------|------------------------------|--------|--------|
| <b>sales.vitocruz</b>       | Vito Cruz                    | 23     |        |

| <b>ecomm.assoc</b>          | E-comm Associate             | 13     |        |
| <b>Other</b>                |                              |        |        |
| <b>custom.user</b>          | Custom role                  | 6      |        |

## Run in order: the 36 flows

---

Most work passes from one person to the next. Do the steps of each flow in this order; the check number tells you which row to tick on that person's pages.

### F1 Supplier delivery into the warehouse

*The In-Charge checks the goods first, then the Head Auditor approves the cost, then stock goes in.*

1. **wh.assoc** › WA-01 Record a supplier delivery
2. **head.auditor** › HA-01 Check it is not there yet — Cost approval after the In-Charge
3. **wh.incharge** › WIC-01 Check the goods first
4. **head.auditor** › HA-01 Cost approval after the In-Charge
5. **wh.assoc** › WA-02 Stock arrives after both approvals

### F2 Branch asks for stock and receives it

*Request, pull-out, approval, receipt.*

1. **sales.westave** › SA-09 Request stock
2. **wh.assoc** › WA-03 Answer a branch's stock request
3. **wh.incharge** › WIC-03 Approve goods out
4. **asst.auditor** › AS-01 Approve an internal transfer
5. **sales.westave** › SA-10 Receive a complete delivery

### F3 Transfer received with a different quantity

*Head Auditor first, sending branch within 2 days, Owner on disagreement, HR on every case.*

1. **wh.incharge** › WIC-07 Send 2 of an item to West Ave
2. **head.auditor** › HA-02 Approve a transfer between company locations
3. **sales.westave** › SA-11 Receive with a difference
4. **head.auditor** › HA-03 Review a transfer difference
5. **wh.incharge** › WIC-08 Answer a transfer difference
6. **admin** › AD-05 Decide a disputed transfer difference
7. **hr.staff** › HR-07 Transfer difference notices
8. **admin** › AD-15 HR referral of repeated transfer differences

### F4 Selling and special prices

*Stock drops at once; a price below list waits for the Owner.*

1. **sales.westave** › SA-02 Walk-in cash sale
2. **sales.westave** › SA-05 Special price
3. **admin** › AD-02 Approve a special price

### F5 Credit sale and collection

*Customer type filter, PDC tick, payment with proof, approval or rejection with a reason.*

1. **sales.westave** › SA-06 Credit sale, with and without PDC
2. **sales.westave** › SA-12 Record a customer payment
3. **acct.head** › AH-02 Reject with a reason
4. **sales.westave** › SA-12 Resend after the rejection — Record a customer payment
5. **acct.head** › AH-01 Approve a customer payment with its proof
6. **acct.assoc** › AC-01 Approve or reject an AR payment

## **F6 Cash, daily close and deposit**

*Cash on hand block, daily report, deposit deadline, extension, NTE.*

1. **sales.westave** › SA-14 Expense bigger than the cash on hand
2. **sales.westave** › SA-18 Close the day
3. **head.auditor** › HA-08 Cash on hand and extensions
4. **sales.westave** › SA-20 Deposit and extension
5. **admin** › AD-07 Approve more days to deposit cash
6. **hr.staff** › HR-06 Notice to Explain for late deposit

## **F7 Weekly count and discrepancy**

*Count sheet with the day's movements, 7 days to explain, charge if not accepted.*

1. **sales.westave** › SA-16 Weekly count sheet with the day's movements
2. **sales.westave** › SA-17 Explain a discrepancy
3. **head.auditor** › HA-05 Discrepancy explanation
4. **hr.staff** › HR-05 Staff charges

## **F8 Field audit visit**

*Count, cash fund check, inspection report to HR.*

1. **field.auditor** › FA-01 Audit count with a shortage
2. **field.auditor** › FA-02 Cash fund check
3. **field.auditor** › FA-03 Store inspection
4. **hr.staff** › HR-08 Watching

## **F9 Stock to a franchise**

*The Owner approves transfers to franchises; the franchise confirms.*

1. **wh.assoc** › WA-04 Send to a franchise
2. **admin** › AD-03 Approve a transfer to a franchise
3. **fr.mayon.owner** › FO-02 Who may receive stock
4. **fr.mayon.assoc** › FS-02 Confirm a delivery
5. **fr.mayon.owner** › FO-03 Confirm a delivery

## **F10 Sales targets**

*Sales Manager sets, the Owner approves, the agent follows.*

1. **sales.manager** › SM-02 Set targets
2. **admin** › AD-06 Approve sales targets
3. **sales.manager** › SM-03 Follow achievement
4. **agent.jerick** › AG-01 Dashboard
5. **agent.jerick** › AG-02 My Sales at every branch

## **F11 E-commerce order to payout**

*Order file → pull-out → In-Charge → payout → Accounting.*

1. **ecomm.assoc** › EC-01 Orders → draft pull-out
2. **ecomm.assoc** › EC-03 Submit the pull-out
3. **wh.incharge** › WIC-10 E-commerce pull-out and returns
4. **ecomm.assoc** › EC-04 Payout
5. **acct.head** › AH-06 E-commerce payout
6. **ecomm.assoc** › EC-05 Return and ads

## **F12 New employee to payroll**

*HR enters, the Owner approves, Accounting closes payroll.*

1. **hr.staff** > HR-01 Add an employee
2. **hr.staff** > HR-02 Create a user account
3. **admin** > AD-04 Approve new master data
4. **hr.staff** > HR-03 Payroll run
5. **acct.head** > AH-05 Close payroll

## **F13 Month-end lock**

*Accounting requests, the Owner approves.*

1. **acct.head** > AH-04 Trial balance and period lock
2. **admin** > AD-08 Approve a period lock

## **F14 Products and cost**

*New products and cost changes wait for the Owner.*

1. **head.auditor** > HA-10 New product and cost change
2. **admin** > AD-04 Approve new master data
3. **admin** > AD-09 Approve a cost change

## **F15 Audit correction**

*Audit Associate asks, only the Head Auditor approves, the Revision Log counts it.*

1. **audit.assoc** > AU-02 Request a correction
2. **head.auditor** > HA-06 Audit Associate correction
3. **audit.assoc** > AU-03 Revision Log

## **F16 Changing a closed day**

*Both auditors must approve.*

1. **sales.westave** > SA-19 Change a closed day
2. **head.auditor** > HA-04 Post-close edit (first of two)
3. **asst.auditor** > AS-02 Post-close edit (second of two)

## **F17 Opening AR from before GWS-ERP**

*Accounting enters it per branch, the Owner approves (tick all), the branch collects it.*

1. **acct.head** > AH-08 Enter opening AR (before GWS-ERP)
2. **acct.assoc** > AC-04 Enter opening AR for another branch
3. **admin** > AD-18 Approve opening AR with Tick all
4. **sales.westave** > SA-27 Credit from before GWS-ERP appears

## **F18 Flavors, expiry and the Owner's approval**

*One SKU in two flavors: received, sent and sold by flavor; the Owner may approve anything.*

1. **wh.assoc** > WA-08 Receive in two flavors
2. **wh.incharge** > WIC-13 Send a chosen flavor; set flavors of old stock
3. **admin** > AD-20 Approve anything as the Owner
4. **sales.westave** > SA-28 Choose the flavor / expiry and review the sale

## **F19 Agent incentive**

*Sales Manager confirms, Accounting and the Owner approve, HR has the agent sign, Accounting tags the payment.*

1. **sales.manager** > SM-08 Confirm an agent's incentive
2. **acct.assoc** > AC-05 Approve an agent incentive
3. **acct.head** > AH-09 Approve — Approve and release an agent incentive
4. **admin** > AD-21 Approve an agent incentive
5. **hr.staff** > HR-10 Release form for the agent
6. **acct.head** > AH-09 Tag as released — Approve and release an agent incentive
7. **agent.jerick** > AG-05 See my incentive

## **F20 Everyone told of a post-close edit**

*Reason required, HR and the Head Auditor told, three in a month flagged for the Owner.*

1. **sales.westave** › SA-30 Change a closed day
2. **head.auditor** › HA-13 Told of every post-close edit
3. **hr.staff** › HR-11 Post-close edits flagged

## **F21 Franchise AR: penalty, extension, payment**

*Goods are billed on receipt, due in 30 days. The franchise asks for more time, the Owner decides, Accounting records the payment.*

1. **fr.mayon.owner** › FO-08 Your Franchise AR
2. **franchise.coord** › FC-03 Overdue invoices and penalty
3. **fr.mayon.owner** › FO-09 Ask for more time to pay
4. **admin** › AD-23 Franchise AR: extension and waiving charges
5. **franchise.coord** › FC-02 Told of extension requests and AR changes
6. **acct.head** › AH-10 Record a franchise payment
7. **fr.mayon.owner** › FO-10 Transfer changed after receiving

## **F22 Cash deposit slip and its two checks**

*The branch deposits with the slip, the Audit Associate checks, then the Accounting Associate.*

1. **sales.westave** › SA-33 Cash deposit with the slip
2. **audit.assoc** › AU-05 Verify a deposit slip
3. **acct.assoc** › AC-06 Second check of a deposit slip
4. **sales.westave** › SA-34 A slip that was not accepted

## **F23 6-Pack Card and the override**

*Six stickers earn a ₱300 card. If the customer cannot be tagged, the Head Auditor asks and the Owner approves.*

1. **sales.westave** › SA-32 6-Pack sticker and redeeming a card
2. **head.auditor** › HA-15 6-Pack Card for a customer who cannot be tagged
3. **admin** › AD-24 6-Pack Card override request
4. **fr.mayon.assoc** › FS-05 6-Pack sticker given

## **F24 Memorandum**

*Written by HR, the Owner, a Franchise Coordinator or the Head Auditor; everyone addressed is told and confirms reading.*

1. **admin** › AD-26 Write a memorandum as the Owner
2. **fr.mayon.owner** › FO-12 Read a memorandum addressed to you
3. **fr.mayon.assoc** › FS-06 Read a memorandum addressed to you
4. **hr.staff** › HR-13 Write a memorandum

## **F25 Waybills to e-commerce report**

*Upload the labels, choose the product, read SRP, fees and order income.*

1. **ecomm.assoc** › EC-07 Waybill report
2. **head.auditor** › HA-18 Waybill report
3. **admin** › AD-29 Waybill report
4. **admin** › AD-25 E-commerce margin analysis and ad expenses

## **F26 Sale to a franchise with shipping to follow**

*The sale is entered with the franchise price; the Franchise Coordinator fills the shipping within 2 days; it becomes its own franchise invoice; the Owner decides any change.*

1. **sales.wh** › SA-37 Sell to a franchise (franchise price, plastic, shipping to follow)
2. **franchise.coord** › FC-08 Fill in the shipping charge within 2 days
3. **fr.mayon.owner** › FO-14 Shipping charged to you
4. **franchise.coord** › FC-09 Ask the Owner to change the amount or give more time
5. **admin** › AD-31 Decide a shipping-charge change
6. **acct.head** › AH-15 Shipping invoice of a franchise

## **F27 Customer return and replacement ticket**

*A branch opens the ticket from the DR; any other branch gives the replacement; the Head Auditor approves; the difference is settled.*

1. **sales.csr** › SA-39 A customer returns an item: open a replacement ticket
2. **sales.dasma** › SA-40 Give the replacement for another branch's ticket
3. **head.auditor** › HA-21 Approve a replacement given to a customer
4. **sales.dasma** › SA-41 Confirm the price difference
5. **acct.head** › AH-16 Notified of replacement tickets and differences

## **F28 Return to a supplier and its replacement**

*The Head Auditor approves the return; only arrival of replacement items closes the ticket.*

1. **wh.incharge** › WIC-15 Return items to a supplier
2. **head.auditor** › HA-22 Approve items returned to a supplier
3. **wh.incharge** › WIC-16 Receive the supplier's replacement
4. **head.auditor** › HA-23 Review all tickets and the suppliers who owe us

## **F29 Stock given to Prothin Marketing, GWS Marketing or BO**

*Head Auditor approves; optional endorsement to Accounting as an expense; summary of what was given out.*

1. **sales.westave** › SA-42 Give stock to Prothin Marketing / GWS Marketing / BO
2. **head.auditor** › HA-20 Approve stock given to Prothin Marketing / GWS Marketing / BO
3. **acct.assoc** › AC-09 Accept a pull-out endorsed as an expense
4. **wh.incharge** › WIC-17 Give warehouse stock to a marketing destination

## **F30 Deleting an unfinished draft**

*Drafts can be deleted; the form numbers close up by themselves.*

1. **sales.westave** › SA-43 Delete an unfinished draft
2. **wh.incharge** › WIC-18 Delete a draft (yours or the associate's)
3. **wh.assoc** › WA-10 Delete your own draft

## **F31 Agent field work: outlets, itineraries and consignment maximums**

*Agents' outlets are approved by the Sales Manager, visits are proven with photos and location, and consignments stay within a maximum the Owner approves.*

1. **agent.jerick** › AG-07 Add my outlets
2. **sales.manager** › SM-11 Approve the agents' outlets
3. **sales.westave** › SA-45 Tag a sale to an agent's outlet
4. **agent.jerick** › AG-12 Orders of my outlets
5. **agent.jerick** › AG-08 Change an approved outlet
6. **sales.manager** › SM-13 Change requests and removal
7. **admin** › AD-36 Notified of outlet changes
8. **sales.manager** › SM-12 Areas, sharing and moving outlets
9. **agent.jerick** › AG-09 Plan and report my itinerary (phone)
0. **sales.manager** › SM-14 Follow the agents in the field
1. **head.auditor** › HA-24 See the agents' outlets and visit photos
2. **agent.jerick** › AG-10 Claim fuel / transport
3. **sales.manager** › SM-15 Approve a fuel / transport claim
4. **sales.manager** › SM-16 Link consignees and set the maximum
5. **admin** › AD-34 Approve a consignment maximum
6. **agent.jerick** › AG-11 My consignments and maximum
7. **sales.manager** › SM-13 Change requests and removal
8. **admin** › AD-35 Approve removal of an outlet

### **F32 Wheysted members: QR card, member page and campaigns**

*Customers become members; purchases are tagged to them; the Sales Manager studies and messages them.*

1. **sales.westave** › SA-48 Tag a sale to a Wheysted member
2. **sales.manager** › SM-17 Wheysted Members list and segments
3. **sales.manager** › SM-18 Who bought this item
4. **sales.manager** › SM-19 Make members from my sales
5. **sales.manager** › SM-20 Send an email or SMS campaign

### **F33 Member program: vouchers, member prices, lost sales, insights and chat campaigns**

*Members earn points and vouchers; the counter uses them; the Sales Manager studies and re-engages the members.*

1. **sales.manager** › SM-21 Program rules and a voucher
2. **sales.manager** › SM-22 Member prices
3. **sales.westave** › SA-49 Use a member voucher and see the member
4. **sales.westave** › SA-50 Member price
5. **sales.westave** › SA-51 Log an item we did not have
6. **sales.manager** › SM-23 Top spenders and calls
7. **sales.manager** › SM-24 Insights and feedback
8. **sales.manager** › SM-25 Automatic messages
9. **sales.manager** › SM-26 WhatsApp / Viber campaign with a voucher

### **F34 Customer Service: birthdays, restock due, results with reasons, and promos**

*Branches follow up with their customers and record what came of it; the Owner and Head Auditor issue promos.*

1. **head.auditor** › HA-PRO Issue a promo to the branches
2. **admin** › AD-37 Issue a promo to the franchises
3. **sales.westave** › SA-56 See a promo
4. **sales.westave** › SA-53 Customer Service on the dashboard
5. **sales.westave** › SA-54 Record how you approached a customer
6. **sales.westave** › SA-55 No answer and birthdays
7. **sales.manager** › SM-27 Why customers do not buy again

### **F35 Replacement payments: how and when the customer settled the difference**

*The money and the stock are dated on the day the branch gave the replacement; closed days go through the Head Auditor.*

1. **sales.westave** › SA-57 Replacement: product, price and the day given
2. **sales.westave** › SA-58 Record how the customer paid the difference
3. **sales.westave** › SA-59 Payment on a closed day
4. **head.auditor** › HA-RP Approve a replacement payment on a closed day

### **F36 Restock request and purchase orders**

*The Head Auditor generates one order per supplier from the days of stock; the Owner approves; branches pull out their part; the delivery closes the order.*

1. **head.auditor** › HA-PO Generate a restock request and send it to the Owner
2. **admin** › AD-PO Approve a purchase order and ask for the transfers
3. **wh.incharge** › WIC-PO Warehouse copy and delivery for a purchase order
4. **sales.westave** › SA-PO My branch's part of a purchase order

## Owner (Admin) admin

Owner (Admin). Final approver. Sees cost and everything else.

| GEN-01   | <b>First sign-in and accountability statement</b><br>1. Sign in with the username and ChangeMe!2026.<br>2. Read the statement with your name and company ID, tick the box, press I accept.<br><b>You should see:</b> The Dashboard opens. The menu shows only the screens for this role.                                                                                                                                                    | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| GEN-02   | <b>Help &amp; Guide and picture guide</b><br>1. Open Help & Guide.<br>2. Open Picture guide (screenshots).<br><b>You should see:</b> My guide shows the steps for this role only. The picture guide opens with numbered red boxes.                                                                                                                                                                                                          | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| GEN-SRCH | <b>Search a list</b><br>1. Open a list with six or more rows (for example Sales List, Cash Fund or Chart of Accounts).<br>2. Type part of a name, number or product in Search this list.<br><b>You should see:</b> Only rows that contain every word you typed are shown; clearing the box shows all rows again.                                                                                                                            | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| GEN-MEM  | <b>Member page for customers (phone)</b><br>1. Open /member on a phone.<br>2. Become a member with your own mobile number, tick the agreement, create the account.<br>3. My card → the QR code and member number. Ask the counter to tag a sale to you, then My purchases.<br><b>You should see:</b> The QR card shows; after a tagged sale the purchase appears with its items. Sign out and in again with the mobile number and password. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-01    | <b>Owner dashboard</b><br>1. Open the Dashboard.<br><b>You should see:</b> Cash on hand per branch, branches without today's Daily Sales Report, open discrepancies and price updates (with cost) are shown.                                                                                                                                                                                                                                | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| AD-02 | <b>Approve a special price</b><br><i>Flow F4 · Selling and special prices</i><br>1. My Approvals → Special price.<br>2. Expand it and check tier price, sold price, discount % and margin.<br>3. Approve.<br><b>You should see:</b> Only the Owner sees cost and margin. The sale stays as recorded and the approval leaves the list.                                                                                                                                                                 | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-03 | <b>Approve a transfer to a franchise</b><br><i>Flow F9 · Stock to a franchise</i><br>1. My Approvals → the pull-out to Mayon.<br>2. Approve.<br><b>You should see:</b> Stock is in transit to Mayon. The franchise can now confirm it.                                                                                                                                                                                                                                                                | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-04 | <b>Approve new master data</b><br><i>Flow F12 · New employee to payroll</i><br>1. My Approvals → New master data.<br>2. Approve the product from the Head Auditor, and the employee and user account from HR.<br><b>You should see:</b> Each record is created and the person who entered it is notified.                                                                                                                                                                                             | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-05 | <b>Decide a disputed transfer difference</b><br><i>Flow F3 · Transfer received with a different quantity</i><br>1. Open the transfer the sending branch disagreed with (or did not answer in 2 days).<br>2. Choose one: the difference stands, received after all, lost as a company expense, or lost and charged to staff.<br><b>You should see:</b> 'Difference stands' makes the -002 form back to the sender. 'Charged to staff' makes a charge form for HR. The transfer page shows the outcome. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-06 | <b>Approve sales targets</b><br><i>Flow F10 · Sales targets</i><br>1. My Approvals → Sales target (West Ave and Jerick Quinto).<br>2. Approve both.<br><b>You should see:</b> The targets show as approved on Sales Targets. A newer approved target replaces the old one.                                                                                                                                                                                                                            | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-07 | <b>Approve more days to deposit cash</b><br><i>Flow F6 · Cash, daily close and deposit</i><br>1. My Approvals → the branch's extension request.<br>2. Approve (the Head Auditor must also approve).<br><b>You should see:</b> The new deposit date applies only after both approvals.                                                                                                                                                                                                                 | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                            | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| AD-08 | <b>Approve a period lock</b><br><i>Flow F13 · Month-end lock</i><br>1. My Approvals → Period lock requested by the Accounting Head.<br>2. Approve.<br><b>You should see:</b> The period is locked. Journal edits in that period are refused.                                                                                                                  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-09 | <b>Approve a cost change</b><br><i>Flow F14 · Products and cost</i><br>1. My Approvals → cost change typed by the Head Auditor.<br>2. Approve.<br><b>You should see:</b> The new cost applies from the effective date. The roles that see cost are notified.                                                                                                  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-10 | <b>Approve a consignment</b><br>1. My Approvals → consignment already checked by the auditor or In-Charge.<br>2. Approve.<br><b>You should see:</b> The stock leaves the branch only after this approval.                                                                                                                                                     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-11 | <b>Create a user</b><br>1. Users & Roles → New user: full name, company ID, role, temporary password, branch → Create.<br>2. Sign in as that user in another browser, then sign in to the same account in a third window.<br><b>You should see:</b> The new user must set a password and accept the statement. The first window is signed out with a message. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-12 | <b>Custom permissions</b><br>1. Users & Roles → custom.user → tick a few permissions → Save overrides.<br><b>You should see:</b> custom.user sees only those screens.                                                                                                                                                                                         | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-13 | <b>Delete and archive</b><br>1. Products → delete a product never used.<br>2. Try to delete a product that was sold.<br><b>You should see:</b> The unused product is removed. The sold one is archived instead.                                                                                                                                               | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-14 | <b>Letterhead and logo</b><br>1. Settings → Company letterhead → Save details.<br>2. Upload a logo, remove the background, Use this logo.<br>3. Print any form.<br><b>You should see:</b> The letterhead and logo appear on the printed form, the sign-in page and the menu.                                                                                  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                          | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| AD-15 | <b>HR referral of repeated transfer differences</b><br><i>Flow F3 · Transfer received with a different quantity</i><br>1. After HR presses Refer to the Owner, open the notification.<br><b>You should see:</b> The notice shows the staff member, the transfers and the count in 30 days.                                                                                                                                  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-16 | <b>Reports with profit</b><br>1. Reports → Sales Report: All branches, This month → Excel.<br>2. Sales Graphs.<br>3. Financial Statements.<br>4. E-commerce → All platforms: profit report.<br><b>You should see:</b> Gross profit is shown. Graphs show each branch in its own colour. The balance sheet 'Should be 0' row is 0.                                                                                           | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-17 | <b>Approve many at once</b><br>1. My Approvals → tick several → Approve selected.<br><b>You should see:</b> All ticked items are approved together.                                                                                                                                                                                                                                                                         | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-18 | <b>Approve opening AR with Tick all</b><br><i>Flow F17 · Opening AR from before GWS-ERP</i><br>1. My Approvals → Opening AR (before GWS-ERP).<br>2. Check branch, customer, DR/SI and amount.<br>3. Tick all → Approve all; reject one with a reason.<br><b>You should see:</b> Each approved entry appears in that branch's AR & Collections and the branch is notified. The rejected one shows your reason to Accounting. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-19 | <b>Transfers per branch; franchises marked</b><br>1. Transfers & Pull-outs → Branches → tick Mayon (franchise) → Done.<br>2. View → Incoming (Transfer-In).<br>3. Open any branch list (Stock on Hand, Inventory Reports).<br><b>You should see:</b> Only Mayon's transfers show, then only what Mayon received. Every list shows '(franchise)' beside franchise names.                                                     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-20 | <b>Approve anything as the Owner</b><br><i>Flow F18 · Flavors, expiry and the Owner's approval</i><br>1. My Approvals → tick Show everything waiting.<br>2. Approve an internal transfer that is waiting for the auditors.<br><b>You should see:</b> It is approved at once. The workflow shows 'Owner (final)'. The dashboard shows how many more are waiting with others.                                                 | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-21 | <b>Approve an agent incentive</b><br><i>Flow F19 · Agent incentive</i><br>1. After the Accounting Associate and Head approve, My Approvals → Agent incentive → Approve.<br><b>You should see:</b> The release form number (AI-...) is made and HR is notified.                                                                                                                                                              | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| AD-22 | <b>Credit-card and e-commerce prices</b><br><i>Flow F11 · E-commerce order to payout</i><br>1. Open E-com & Card Prices.<br>2. Set the Card fee % (4) and choose SRP ÷ (1 – %) → Save prices.<br>3. Change one TikTok, one Shopee and one Lazada price → Save prices. Or import the masterlist (.xlsx).<br>4. Open New Sale as a sales account and pay one item by credit card.<br><b>You should see:</b> Prices keep their centavos (no rounding). The card sale uses the credit-card price; a platform sale uses that platform price list.                                                                                                                                                              | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-23 | <b>Franchise AR: extension and waiving charges</b><br><i>Flow F21 · Franchise AR: penalty, extension, payment</i><br>1. Open Franchise AR → a franchise with an overdue invoice.<br>2. Read the penalty (2% once) and interest (0.1% a day) and the total due today.<br>3. Open My Approvals → Franchise AR extension → read the reason → Approve (or Reject with a reason).<br>4. On the invoice press Waive charges, type an amount and a reason.<br><b>You should see:</b> The new due date applies from the approved request. Penalty and interest are recalculated and the waiver is recorded with your name. Accounting, the auditors, the Franchise Coordinators and the franchise owner are told. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-24 | <b>6-Pack Card override request</b><br><i>Flow F23 · 6-Pack Card and the override</i><br>1. Open My Approvals → 6-Pack Card override sent by the Head Auditor.<br>2. Read the branch, what is known about the customer and the reason → Approve.<br><b>You should see:</b> The card is booked as usual (P300 expense for the branch) and marked as an override. Rejecting needs a reason.                                                                                                                                                                                                                                                                                                                 | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-25 | <b>E-commerce margin analysis and ad expenses</b><br><i>Flow F11 · E-commerce order to payout</i><br>1. Open E-com Margin Analysis → choose a month and platform.<br>2. Read Where the money goes (gross sales, platform fees, shipping, withholding tax, cost, contribution, margin).<br>3. Press Add ad expense, type the platform, amount, reference and paid from → save.<br>4. Type a Target margin % and read Is the pricing right? and the Price for target.<br><b>You should see:</b> The ad expense is booked as advertising expense and reduces the contribution and margin at once. The suggested price for the target margin is shown, with each product.                                     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|-------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| AD-26 | <b>Write a memorandum as the Owner</b><br><i>Flow F24 · Memorandum</i><br>1. Open Memorandums → Write a memo.<br>2. Choose Who it is for (for example franchise owners), type RE, the memo, add a table if wanted.<br>3. Check the signers: AL MARVIN VINLUAN (President) and MICAH VINLUAN (Manager) must already be there. Add one more signer → Issue the memo.<br>4. Press Print / download PDF.<br><b>You should see:</b> The memo is numbered by itself (for example 2026-Q4-001) and printed on the letterhead. Everyone addressed gets a notice. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-27 | <b>Add an employee or user and HR is told</b><br>1. Open Users & Roles → New user (or Employees → Add) and save.<br>2. Sign in as hr.staff and open Notifications.<br><b>You should see:</b> HR has a notice naming the new user or employee and who added them.                                                                                                                                                                                                                                                                                         | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-28 | <b>Approve a deposit slip check as the Owner</b><br><i>Flow F22 · Cash deposit slip and its two checks</i><br>1. Open My Approvals → Cash deposit slip (audit or accounting).<br>2. Open the slip, compare amount, bank and date → Approve (or Reject with a reason).<br><b>You should see:</b> The Owner may decide in place of the Audit or Accounting Associate. The decision is recorded with your name.                                                                                                                                             | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-29 | <b>Waybill report</b><br><i>Flow F25 · Waybills to e-commerce report</i><br>1. Open Waybill Report → upload the TikTok / Shopee / Lazada label PDFs.<br>2. Choose the product for each → Confirm. Read SRP, platform fees and order income. Press Download Excel.<br><b>You should see:</b> SRP comes from the platform price list with centavos. Fees use the rates under Platform fee rates used. The same platform and weight is filled in next time.                                                                                                 | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-30 | <b>Change your own password</b><br>1. Press the key icon at the top right (Change my password).<br>2. Type the current password and a new one of 10 or more characters, twice → Change password.<br>3. Sign out and sign in again with the new password. Then change it back to ChangeMe!2026 for the next tester.<br><b>You should see:</b> The new password works. Nobody else can see it. HR receives a notice that you changed it (not the password).                                                                                                | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                       | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| AD-31 | <b>Decide a shipping-charge change</b><br><i>Flow F26 · Sale to a franchise with shipping to follow</i><br>1. My Approvals → Franchise shipping charge → read the reason and the new amount (or the new date) → Approve, or Reject with a reason.<br><b>You should see:</b> Approve: the franchise invoice changes by the difference and everyone involved is told. Reject: nothing changes and the Coordinator is told. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-32 | <b>Search the users</b><br>1. Users & Roles → type part of a name, a role or a branch in the search box.<br><b>You should see:</b> The list narrows as you type; the count shows "x of y users".                                                                                                                                                                                                                         | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-33 | <b>Notified of tickets and give-outs</b><br><i>Flow F27 · Customer return and replacement ticket</i><br>1. Open Notifications after a ticket or a marketing pull-out.<br><b>You should see:</b> You are told at each step and may decide anything the Head Auditor decides.                                                                                                                                              | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-34 | <b>Approve a consignment maximum</b><br><i>Flow F31 · Agent field work: outlets, itineraries and consignment maximums</i><br>1. My Approvals → Maximum consignment for an agent / outlet → Approve.<br><b>You should see:</b> The Sales Manager and the agent are told. The next consignment is checked against it.                                                                                                      | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-35 | <b>Approve removal of an outlet</b><br><i>Flow F31 · Agent field work: outlets, itineraries and consignment maximums</i><br>1. My Approvals → Remove an outlet → Approve.<br><b>You should see:</b> The outlet leaves the database; the Sales Manager and the agent are told.                                                                                                                                            | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-36 | <b>Notified of outlet changes</b><br><i>Flow F31 · Agent field work: outlets, itineraries and consignment maximums</i><br>1. Open Notifications after the Sales Manager approves a change, moves or shares an outlet.<br><b>You should see:</b> Each change is listed with what changed (old → new) and who approved it.                                                                                                 | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AD-37 | <b>Issue a promo to the franchises</b><br><i>Flow F34 · Customer Service: birthdays, restock due, results with reasons, and promos</i><br>1. Promos → Issue it to Franchises only → fill in → Issue promo and send memo.<br><b>You should see:</b> Franchise owners, franchise associates and the Franchise Coordinators get the memo and notice. Branch staff do not see it.                                            | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| AD-PO | <b>Approve a purchase order and ask for the transfers</b><br><i>Flow F36 · Restock request and purchase orders</i><br>1. My Approvals → the purchase order (or Restock & Purchase Orders → open it).<br>2. Change a quantity if you wish → Approve.<br>3. Press Ask the Head Auditor to make the transfers.<br>4. Mark as sent to the supplier with an expected date.<br><b>You should see:</b> The Head Auditor, the Warehouse In-Charge and the branches are notified. The order shows Sent with the expected date. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| GEN-01   | <b>First sign-in and accountability statement</b><br>1. Sign in with the username and ChangeMe!2026.<br>2. Read the statement with your name and company ID, tick the box, press I accept.<br><b>You should see:</b> The Dashboard opens. The menu shows only the screens for this role.                                                                                                                                                                                                                                                                              | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| GEN-02   | <b>Help &amp; Guide and picture guide</b><br>1. Open Help & Guide.<br>2. Open Picture guide (screenshots).<br><b>You should see:</b> My guide shows the steps for this role only. The picture guide opens with numbered red boxes.                                                                                                                                                                                                                                                                                                                                    | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| GEN-SRCH | <b>Search a list</b><br>1. Open a list with six or more rows (for example Sales List, Cash Fund or Chart of Accounts).<br>2. Type part of a name, number or product in Search this list.<br><b>You should see:</b> Only rows that contain every word you typed are shown; clearing the box shows all rows again.                                                                                                                                                                                                                                                      | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| GEN-MEM  | <b>Member page for customers (phone)</b><br>1. Open /member on a phone.<br>2. Become a member with your own mobile number, tick the agreement, create the account.<br>3. My card → the QR code and member number. Ask the counter to tag a sale to you, then My purchases.<br><b>You should see:</b> The QR card shows; after a tagged sale the purchase appears with its items. Sign out and in again with the mobile number and password.                                                                                                                           | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| HA-01    | <b>Cost approval after the In-Charge</b><br><i>Flow F1 · Supplier delivery into the warehouse</i><br>1. Before the In-Charge approves, look in My Approvals: the delivery is not there yet.<br>2. After the In-Charge approves, open the delivery.<br>3. Try Approve with a new product that has no cost.<br>4. Type the unit cost of each line (freebies too) → Save costs → Approve.<br><b>You should see:</b> Without a cost the system says so and the delivery stays in your list. After approval the stock is added to the Warehouse with its batch and expiry. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| HA-02 | <b>Approve a transfer between company locations</b><br><i>Flow F2 · Branch asks for stock and receives it</i><br>1. My Approvals → the pull-out from the Warehouse to West Ave → Approve.<br><b>You should see:</b> Stock is in transit. The Asst Auditor no longer needs to act on it.                                                                                                                                                                                                                            | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| HA-03 | <b>Review a transfer difference</b><br><i>Flow F3 · Transfer received with a different quantity</i><br>1. My Approvals → Transfer difference. Open the transfer: form quantity, received quantity and note are shown.<br>2. Press Confirm the difference.<br>3. On a second case, press Receiver miscounted without a reason, then with a reason.<br><b>You should see:</b> Confirm sends it to the sending branch. Receiver miscounted asks for a reason first, then gives the receiver the items as on the form. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| HA-04 | <b>Post-close edit (first of two)</b><br><i>Flow F16 · Changing a closed day</i><br>1. My Approvals → post-close void from West Ave → Approve.<br><b>You should see:</b> Nothing changes yet. It waits for the Asst Auditor.                                                                                                                                                                                                                                                                                       | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| HA-05 | <b>Discrepancy explanation</b><br><i>Flow F7 · Weekly count and discrepancy</i><br>1. My Approvals → explanation from the branch.<br>2. Accept one; reject another.<br><b>You should see:</b> Accepted: stock adjusted, nobody charged. Rejected: charged at franchise price at the deadline, HR gets the charge.                                                                                                                                                                                                  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| HA-06 | <b>Audit Associate correction</b><br><i>Flow F15 · Audit correction</i><br>1. My Approvals → Audit Associate correction → Approve.<br><b>You should see:</b> The correction applies, the staff member is notified and it appears in the Revision Log.                                                                                                                                                                                                                                                              | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| HA-07 | <b>Write-off</b><br>1. My Approvals → write-off from the Warehouse In-Charge → Approve.<br><b>You should see:</b> The stock leaves the inventory. A staff charge goes to HR when 'charged to staff' was chosen.                                                                                                                                                                                                                                                                                                    | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| HA-08 | <b>Cash on hand and extensions</b><br><i>Flow F6 · Cash, daily close and deposit</i><br>1. Cash on Hand → set West Ave Days allowed to 0.<br>2. Approve West Ave's extension request.<br><b>You should see:</b> Every branch's undeposited cash and oldest day are listed. The extension applies only after the Owner also approves.                                                                                                                                                                               | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                  | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| HA-09 | <b>Audit count</b><br>1. Stock Counts → create a count for a branch or franchise.<br><b>You should see:</b> Every item is listed, items in the system first.                                                                                                                                                                                                                                                                                        | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| HA-10 | <b>New product and cost change</b><br><i>Flow F14 · Products and cost</i><br>1. Products → New product → Save.<br>2. Open a product → Edit cost → new cost, date, reason → Send for approval.<br>3. Set Days to consume one unit to 30.<br><b>You should see:</b> The new product waits for the Owner's approval. The cost change waits for the Owner.                                                                                              | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| HA-11 | <b>Daily Sales Report watch</b><br>1. Dashboard: branches without today's report.<br>2. Open a Daily Sales Report → Audit summary.<br><b>You should see:</b> Missing branches are listed. The audit summary shows the margin.                                                                                                                                                                                                                       | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| HA-12 | <b>Sales targets (view)</b><br>1. Open Sales Targets.<br><b>You should see:</b> Targets and achievement are shown. You cannot set targets.                                                                                                                                                                                                                                                                                                          | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| HA-13 | <b>Told of every post-close edit</b><br><i>Flow F20 · Everyone told of a post-close edit</i><br>1. Check the bell after each post-close edit request.<br>2. Approve one in My Approvals (with the Asst Auditor).<br><b>You should see:</b> Each request is reported with the person's count this month; the third is marked flagged.                                                                                                                | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| HA-14 | <b>Verify a deposit slip</b><br><i>Flow F22 · Cash deposit slip and its two checks</i><br>1. Open My Approvals → Cash deposit slip (audit).<br>2. Open the slip and compare amount, bank and date with the deposit → Approve, or Reject with a reason.<br><b>You should see:</b> An approved deposit goes on to the Accounting Associate. A rejection returns it to the branch with the reason.                                                     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| HA-15 | <b>6-Pack Card for a customer who cannot be tagged</b><br><i>Flow F23 · 6-Pack Card and the override</i><br>1. Open 6-Pack Card → Customer cannot be tagged? Ask the Owner to allow the card.<br>2. Choose the branch, type what is known and the reason → Send to the Owner.<br><b>You should see:</b> "Sent. The Owner decides in My Approvals." Without a reason it cannot be sent. After the Owner approves, the card is booked as an override. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                        | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |

| WIC-11 | <b>What you cannot see</b><br>1. Look through the menu and a delivery page.<br><b>You should see:</b> No Petty Cash Fund menu and no cost column.                                                                                                                                                                                                                                                                                                                                                                                                                                                           | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| WIC-12 | <b>Find transfers by branch</b><br>1. Transfers & Pull-outs → View: Outgoing (Pull-Out).<br>2. Branches → tick two branches → Done; then Clear (all).<br><b>You should see:</b> Only pull-outs from the warehouse to the ticked branches show. Franchises show '(franchise)'.                                                                                                                                                                                                                                                                                                                               | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| WIC-13 | <b>Send a chosen flavor; set flavors of old stock</b><br><i>Flow F18 · Flavors, expiry and the Owner's approval</i><br>1. Transfers → new transfer → add the two-flavor item → choose Vanilla.<br>2. Stock on Hand → Batches → Set flavors on stock without a flavor.<br><b>You should see:</b> The pull-out takes Vanilla only. Setting flavors keeps the item's total the same.                                                                                                                                                                                                                           | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| WIC-14 | <b>Change your own password</b><br>1. Press the key icon at the top right (Change my password).<br>2. Type the current password and a new one of 10 or more characters, twice → Change password.<br>3. Sign out and sign in again with the new password. Then change it back to ChangeMe!2026 for the next tester.<br><b>You should see:</b> The new password works. Nobody else can see it. HR receives a notice that you changed it (not the password).                                                                                                                                                   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| WIC-15 | <b>Return items to a supplier</b><br><i>Flow F28 · Return to a supplier and its replacement</i><br>1. Replacement Tickets → Return items to a supplier → search a product in stock → quantity, supplier, reason → Open the ticket.<br><b>You should see:</b> The ticket is tagged to the supplier and waits for the Head Auditor. The stock leaves only after approval.                                                                                                                                                                                                                                     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| WIC-16 | <b>Receive the supplier's replacement</b><br><i>Flow F28 · Return to a supplier and its replacement</i><br>1. Supplier Deliveries → choose the supplier → This delivery replaces a ticket → pick the ticket → add the items that arrived (part of the quantity first) → attach the delivery receipt → Create draft → Submit.<br>2. Later receive the rest the same way.<br><b>You should see:</b> After the Head Auditor approves the cost, part of the arrival keeps the ticket open ("part of the replacement arrived"); enough arrival closes it. If the items differ in value, the difference is shown. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.    | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                              | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|--------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| WIC-17 | <b>Give warehouse stock to a marketing destination</b><br><i>Flow F29 · Stock given to Prothin Marketing, GWS Marketing or BO</i><br>1. Transfers & Pull-outs → To → Stock given out → GWS Marketing → items → Submit.<br><b>You should see:</b> Waits for the Head Auditor; then the stock leaves the warehouse.                                                                                                                                               | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| WIC-18 | <b>Delete a draft (yours or the associate's)</b><br><i>Flow F30 · Deleting an unfinished draft</i><br>1. Open an unsent pull-out or an unsubmitted delivery → Delete draft.<br><b>You should see:</b> It is removed; the later drafts move down one number and their owners are told.                                                                                                                                                                           | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| WIC-19 | <b>The forms behind a movement</b><br>1. Inventory Reports → Daily Inventory Report → press a Transfer In or Pull Out figure.<br><b>You should see:</b> The forms behind it appear (Pull-Out / Transfer-In, supplier form with its receipt) with their attachments. The Sales column is not a link.                                                                                                                                                             | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| WIC-20 | <b>Record a warehouse expense</b><br><i>Flow F31 · Agent field work: outlets, itineraries and consignment maximums</i><br>1. Expenses → choose a warehouse account, amount and payee, cash on hand / bank / owner advance → Save.<br><b>You should see:</b> Saved with a number; no cash fund at the warehouse.                                                                                                                                                 | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| WIC-21 | <b>Days of stock left</b><br>1. Expiry & Low Stock → the card Days of stock left.<br>2. Change the average to 60 days; tick All locations together; type in a column filter (for example Level).<br><b>You should see:</b> Items are listed with the most critical first (Out, then fewest days left, no-sales last), with the average per day, the date it runs out and the suggested restock. The filters narrow the rows.                                    | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| WIC-PO | <b>Warehouse copy and delivery for a purchase order</b><br><i>Flow F36 · Restock request and purchase orders</i><br>1. Restock & Purchase Orders → open an approved order → Print: warehouse copy.<br>2. Receive a supplier delivery and choose the order under This delivery is for a purchase order.<br><b>You should see:</b> The warehouse copy lists, per branch, what to pull out now and its share on arrival. The order shows received against ordered. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| SA-26 | <b>What you cannot see or do</b><br>1. Look for Write-offs in the menu.<br>2. Look at any stock or sale page for cost.<br><b>You should see:</b> No Write-offs menu, no cost anywhere, no other branch.                                                                                                                                                                                                                                                                                                                                                                                                         | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-28 | <b>Choose the flavor / expiry and review the sale</b><br><i>Flow F18 · Flavors, expiry and the Owner's approval</i><br>1. New Sale → search an item: only items with stock at your branch are listed, with the quantity.<br>2. Pick an item with two flavors or expiry dates → choose one.<br>3. Type more than what is left of it.<br>4. Review sale → check every detail → Confirm and save sale.<br><b>You should see:</b> Items at 0 are not listed. The line shows the flavor, expiry and quantity left; too many shows a red warning. The sale is saved only after Confirm.                               | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-29 | <b>Review the Daily Sales Report before submitting</b><br>1. Daily Sales Report → Review report (Excel).<br>2. Submit today's report... → try I agree without ticking the review list.<br><b>You should see:</b> The button stays off until the four review items and the acknowledgement are ticked.                                                                                                                                                                                                                                                                                                           | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-30 | <b>Change a closed day</b><br><i>Flow F20 · Everyone told of a post-close edit</i><br>1. After submitting the Daily Sales Report: Daily Close & Deposit → Change a closed day → choose a sale.<br>2. Correct details (DR / SI no.), try to send without a reason, then choose a reason → Send.<br><b>You should see:</b> The card shows the approvers (Head Auditor and Asst Auditor). A reason is required. Nothing changes until approved.                                                                                                                                                                    | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-32 | <b>6-Pack sticker and redeeming a card</b><br><i>Flow F23 · 6-Pack Card and the override</i><br>1. New Sale → tick 6-Pack sticker given → type the customer name and mobile number → Save.<br>2. Open 6-Pack Card. Find the customer; when the stickers reach six, press Redeem a card, complete name, email and address → Redeem.<br>3. Open Daily Close and look at the expenses.<br><b>You should see:</b> A sticker is recorded for each supplement on the DR. The ₱300 card appears as a 6-Pack Card expense of your branch, tagged to the customer. Missing customer data stops you with a clear message. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |

| SA-33 | <b>Cash deposit with the slip</b><br><i>Flow F22 · Cash deposit slip and its two checks</i><br>1. Open Daily Close & Deposit. Look at the calendar: coloured days still have cash to deposit.<br>2. Press a coloured date (or the box beside the calendar). Choose the bank, type the amount, try Record deposit without a slip.<br>3. Attach the deposit slip → Record deposit. Look at the list of deposits below.<br><b>You should see:</b> Without the slip: "Attach the slip first." With it, the deposit is listed with View slip and its checking status (Audit, then Accounting).                                                                                                     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-37 | <b>Sell to a franchise (franchise price, plastic, shipping to follow)</b><br><i>Flow F26 · Sale to a franchise with shipping to follow</i><br>1. New Sale → channel FRANCHISE → choose the franchisee (for example Franchise Mayon).<br>2. Add a supplement and Plastic XL. Read the prices.<br>3. Change one price a little, then set it back. Under "Shipping charged to the franchise" choose To follow → Review sale → Confirm and save.<br><b>You should see:</b> No "may not sell at tier FRANCHISE" message. The franchise price fills in by itself; the plastic is charged (L ₱4, M ₱3, S ₱3, XL ₱5). The sale saves and the Franchise Coordinator is told the shipping is to follow. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-39 | <b>A customer returns an item: open a replacement ticket</b><br><i>Flow F27 · Customer return and replacement ticket</i><br>1. Replacement Tickets → Customer returned an item.<br>2. Type the DR number (or the customer name) → press the item line → quantity, reason, notes → Open the ticket.<br>3. Attach a photo of the item on the ticket page.<br><b>You should see:</b> The ticket (RT number) names the DR, the customer and the branch that made the sale. You cannot return more than was sold. The auditors, Accounting, the Owner, the DR's sales associate and the other branches are told.                                                                                   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-40 | <b>Give the replacement for another branch's ticket</b><br><i>Flow F27 · Customer return and replacement ticket</i><br>1. Replacement Tickets → open a customer ticket made at another branch.<br>2. Press We gave the replacement → search another product (or keep the same) → Save.<br><b>You should see:</b> The replacement leaves your stock. The price difference against the DR is shown (customer pays or refund). The Head Auditor approves; then the ticket closes. A second branch cannot tick it again.                                                                                                                                                                          | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |

## Imus Cavite sales.imus

Sales Associate. Runs one branch. Never sees supplier cost. Short check: the West Ave and Mayon accounts carry the full test; this account repeats the key steps for its own branch.

Sign in at <http://localhost:5173> · username **sales.imus** · password **ChangeMe!2026** · 23 checks

| SA-26 | <b>What you cannot see or do</b><br>1. Look for Write-offs in the menu.<br>2. Look at any stock or sale page for cost.<br><b>You should see:</b> No Write-offs menu, no cost anywhere, no other branch.                                                                                                                                                                                                                                                                                                                                                                                                         | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-28 | <b>Choose the flavor / expiry and review the sale</b><br><i>Flow F18 · Flavors, expiry and the Owner's approval</i><br>1. New Sale → search an item: only items with stock at your branch are listed, with the quantity.<br>2. Pick an item with two flavors or expiry dates → choose one.<br>3. Type more than what is left of it.<br>4. Review sale → check every detail → Confirm and save sale.<br><b>You should see:</b> Items at 0 are not listed. The line shows the flavor, expiry and quantity left; too many shows a red warning. The sale is saved only after Confirm.                               | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-29 | <b>Review the Daily Sales Report before submitting</b><br>1. Daily Sales Report → Review report (Excel).<br>2. Submit today's report... → try I agree without ticking the review list.<br><b>You should see:</b> The button stays off until the four review items and the acknowledgement are ticked.                                                                                                                                                                                                                                                                                                           | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-30 | <b>Change a closed day</b><br><i>Flow F20 · Everyone told of a post-close edit</i><br>1. After submitting the Daily Sales Report: Daily Close & Deposit → Change a closed day → choose a sale.<br>2. Correct details (DR / SI no.), try to send without a reason, then choose a reason → Send.<br><b>You should see:</b> The card shows the approvers (Head Auditor and Asst Auditor). A reason is required. Nothing changes until approved.                                                                                                                                                                    | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-32 | <b>6-Pack sticker and redeeming a card</b><br><i>Flow F23 · 6-Pack Card and the override</i><br>1. New Sale → tick 6-Pack sticker given → type the customer name and mobile number → Save.<br>2. Open 6-Pack Card. Find the customer; when the stickers reach six, press Redeem a card, complete name, email and address → Redeem.<br>3. Open Daily Close and look at the expenses.<br><b>You should see:</b> A sticker is recorded for each supplement on the DR. The ₱300 card appears as a 6-Pack Card expense of your branch, tagged to the customer. Missing customer data stops you with a clear message. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| SA-33 | <b>Cash deposit with the slip</b><br><i>Flow F22 · Cash deposit slip and its two checks</i><br>1. Open Daily Close & Deposit. Look at the calendar: coloured days still have cash to deposit.<br>2. Press a coloured date (or the box beside the calendar). Choose the bank, type the amount, try Record deposit without a slip.<br>3. Attach the deposit slip → Record deposit. Look at the list of deposits below.<br><b>You should see:</b> Without the slip: "Attach the slip first." With it, the deposit is listed with View slip and its checking status (Audit, then Accounting).                                                                                                     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-37 | <b>Sell to a franchise (franchise price, plastic, shipping to follow)</b><br><i>Flow F26 · Sale to a franchise with shipping to follow</i><br>1. New Sale → channel FRANCHISE → choose the franchisee (for example Franchise Mayon).<br>2. Add a supplement and Plastic XL. Read the prices.<br>3. Change one price a little, then set it back. Under "Shipping charged to the franchise" choose To follow → Review sale → Confirm and save.<br><b>You should see:</b> No "may not sell at tier FRANCHISE" message. The franchise price fills in by itself; the plastic is charged (L ₱4, M ₱3, S ₱3, XL ₱5). The sale saves and the Franchise Coordinator is told the shipping is to follow. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-39 | <b>A customer returns an item: open a replacement ticket</b><br><i>Flow F27 · Customer return and replacement ticket</i><br>1. Replacement Tickets → Customer returned an item.<br>2. Type the DR number (or the customer name) → press the item line → quantity, reason, notes → Open the ticket.<br>3. Attach a photo of the item on the ticket page.<br><b>You should see:</b> The ticket (RT number) names the DR, the customer and the branch that made the sale. You cannot return more than was sold. The auditors, Accounting, the Owner, the DR's sales associate and the other branches are told.                                                                                   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-40 | <b>Give the replacement for another branch's ticket</b><br><i>Flow F27 · Customer return and replacement ticket</i><br>1. Replacement Tickets → open a customer ticket made at another branch.<br>2. Press We gave the replacement → search another product (or keep the same) → Save.<br><b>You should see:</b> The replacement leaves your stock. The price difference against the DR is shown (customer pays or refund). The Head Auditor approves; then the ticket closes. A second branch cannot tick it again.                                                                                                                                                                          | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |

# Laguna sales.laguna

Sales Associate. Runs one branch. Never sees supplier cost. Short check: the West Ave and Mayon accounts carry the full test; this account repeats the key steps for its own branch.

Sign in at <http://localhost:5173> · username **sales.laguna** · password **ChangeMe!2026** · 23 checks

| SA-26 | <b>What you cannot see or do</b><br>1. Look for Write-offs in the menu.<br>2. Look at any stock or sale page for cost.<br><b>You should see:</b> No Write-offs menu, no cost anywhere, no other branch.                                                                                                                                                                                                                                                                                                                                                                                                         | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-28 | <b>Choose the flavor / expiry and review the sale</b><br><i>Flow F18 · Flavors, expiry and the Owner's approval</i><br>1. New Sale → search an item: only items with stock at your branch are listed, with the quantity.<br>2. Pick an item with two flavors or expiry dates → choose one.<br>3. Type more than what is left of it.<br>4. Review sale → check every detail → Confirm and save sale.<br><b>You should see:</b> Items at 0 are not listed. The line shows the flavor, expiry and quantity left; too many shows a red warning. The sale is saved only after Confirm.                               | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-29 | <b>Review the Daily Sales Report before submitting</b><br>1. Daily Sales Report → Review report (Excel).<br>2. Submit today's report... → try I agree without ticking the review list.<br><b>You should see:</b> The button stays off until the four review items and the acknowledgement are ticked.                                                                                                                                                                                                                                                                                                           | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-30 | <b>Change a closed day</b><br><i>Flow F20 · Everyone told of a post-close edit</i><br>1. After submitting the Daily Sales Report: Daily Close & Deposit → Change a closed day → choose a sale.<br>2. Correct details (DR / SI no.), try to send without a reason, then choose a reason → Send.<br><b>You should see:</b> The card shows the approvers (Head Auditor and Asst Auditor). A reason is required. Nothing changes until approved.                                                                                                                                                                    | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-32 | <b>6-Pack sticker and redeeming a card</b><br><i>Flow F23 · 6-Pack Card and the override</i><br>1. New Sale → tick 6-Pack sticker given → type the customer name and mobile number → Save.<br>2. Open 6-Pack Card. Find the customer; when the stickers reach six, press Redeem a card, complete name, email and address → Redeem.<br>3. Open Daily Close and look at the expenses.<br><b>You should see:</b> A sticker is recorded for each supplement on the DR. The ₱300 card appears as a 6-Pack Card expense of your branch, tagged to the customer. Missing customer data stops you with a clear message. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| SA-33 | <b>Cash deposit with the slip</b><br><i>Flow F22 · Cash deposit slip and its two checks</i><br>1. Open Daily Close & Deposit. Look at the calendar: coloured days still have cash to deposit.<br>2. Press a coloured date (or the box beside the calendar). Choose the bank, type the amount, try Record deposit without a slip.<br>3. Attach the deposit slip → Record deposit. Look at the list of deposits below.<br><b>You should see:</b> Without the slip: "Attach the slip first." With it, the deposit is listed with View slip and its checking status (Audit, then Accounting).                                                                                                     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-37 | <b>Sell to a franchise (franchise price, plastic, shipping to follow)</b><br><i>Flow F26 · Sale to a franchise with shipping to follow</i><br>1. New Sale → channel FRANCHISE → choose the franchisee (for example Franchise Mayon).<br>2. Add a supplement and Plastic XL. Read the prices.<br>3. Change one price a little, then set it back. Under "Shipping charged to the franchise" choose To follow → Review sale → Confirm and save.<br><b>You should see:</b> No "may not sell at tier FRANCHISE" message. The franchise price fills in by itself; the plastic is charged (L ₱4, M ₱3, S ₱3, XL ₱5). The sale saves and the Franchise Coordinator is told the shipping is to follow. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-39 | <b>A customer returns an item: open a replacement ticket</b><br><i>Flow F27 · Customer return and replacement ticket</i><br>1. Replacement Tickets → Customer returned an item.<br>2. Type the DR number (or the customer name) → press the item line → quantity, reason, notes → Open the ticket.<br>3. Attach a photo of the item on the ticket page.<br><b>You should see:</b> The ticket (RT number) names the DR, the customer and the branch that made the sale. You cannot return more than was sold. The auditors, Accounting, the Owner, the DR's sales associate and the other branches are told.                                                                                   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-40 | <b>Give the replacement for another branch's ticket</b><br><i>Flow F27 · Customer return and replacement ticket</i><br>1. Replacement Tickets → open a customer ticket made at another branch.<br>2. Press We gave the replacement → search another product (or keep the same) → Save.<br><b>You should see:</b> The replacement leaves your stock. The price difference against the DR is shown (customer pays or refund). The Head Auditor approves; then the ticket closes. A second branch cannot tick it again.                                                                                                                                                                          | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |

## Dasmariñas sales.dasma

Sales Associate. Runs one branch. Never sees supplier cost. Short check: the West Ave and Mayon accounts carry the full test; this account repeats the key steps for its own branch.

Sign in at <http://localhost:5173> · username **sales.dasma** · password **ChangeMe!2026** · 23 checks

| SA-26 | <b>What you cannot see or do</b><br>1. Look for Write-offs in the menu.<br>2. Look at any stock or sale page for cost.<br><b>You should see:</b> No Write-offs menu, no cost anywhere, no other branch.                                                                                                                                                                                                                                                                                                                                                                                                         | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-28 | <b>Choose the flavor / expiry and review the sale</b><br><i>Flow F18 · Flavors, expiry and the Owner's approval</i><br>1. New Sale → search an item: only items with stock at your branch are listed, with the quantity.<br>2. Pick an item with two flavors or expiry dates → choose one.<br>3. Type more than what is left of it.<br>4. Review sale → check every detail → Confirm and save sale.<br><b>You should see:</b> Items at 0 are not listed. The line shows the flavor, expiry and quantity left; too many shows a red warning. The sale is saved only after Confirm.                               | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-29 | <b>Review the Daily Sales Report before submitting</b><br>1. Daily Sales Report → Review report (Excel).<br>2. Submit today's report... → try I agree without ticking the review list.<br><b>You should see:</b> The button stays off until the four review items and the acknowledgement are ticked.                                                                                                                                                                                                                                                                                                           | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-30 | <b>Change a closed day</b><br><i>Flow F20 · Everyone told of a post-close edit</i><br>1. After submitting the Daily Sales Report: Daily Close & Deposit → Change a closed day → choose a sale.<br>2. Correct details (DR / SI no.), try to send without a reason, then choose a reason → Send.<br><b>You should see:</b> The card shows the approvers (Head Auditor and Asst Auditor). A reason is required. Nothing changes until approved.                                                                                                                                                                    | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-32 | <b>6-Pack sticker and redeeming a card</b><br><i>Flow F23 · 6-Pack Card and the override</i><br>1. New Sale → tick 6-Pack sticker given → type the customer name and mobile number → Save.<br>2. Open 6-Pack Card. Find the customer; when the stickers reach six, press Redeem a card, complete name, email and address → Redeem.<br>3. Open Daily Close and look at the expenses.<br><b>You should see:</b> A sticker is recorded for each supplement on the DR. The ₱300 card appears as a 6-Pack Card expense of your branch, tagged to the customer. Missing customer data stops you with a clear message. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| SA-33 | <b>Cash deposit with the slip</b><br><i>Flow F22 · Cash deposit slip and its two checks</i><br>1. Open Daily Close & Deposit. Look at the calendar: coloured days still have cash to deposit.<br>2. Press a coloured date (or the box beside the calendar). Choose the bank, type the amount, try Record deposit without a slip.<br>3. Attach the deposit slip → Record deposit. Look at the list of deposits below.<br><b>You should see:</b> Without the slip: "Attach the slip first." With it, the deposit is listed with View slip and its checking status (Audit, then Accounting).                                                                                                     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-37 | <b>Sell to a franchise (franchise price, plastic, shipping to follow)</b><br><i>Flow F26 · Sale to a franchise with shipping to follow</i><br>1. New Sale → channel FRANCHISE → choose the franchisee (for example Franchise Mayon).<br>2. Add a supplement and Plastic XL. Read the prices.<br>3. Change one price a little, then set it back. Under "Shipping charged to the franchise" choose To follow → Review sale → Confirm and save.<br><b>You should see:</b> No "may not sell at tier FRANCHISE" message. The franchise price fills in by itself; the plastic is charged (L ₱4, M ₱3, S ₱3, XL ₱5). The sale saves and the Franchise Coordinator is told the shipping is to follow. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-39 | <b>A customer returns an item: open a replacement ticket</b><br><i>Flow F27 · Customer return and replacement ticket</i><br>1. Replacement Tickets → Customer returned an item.<br>2. Type the DR number (or the customer name) → press the item line → quantity, reason, notes → Open the ticket.<br>3. Attach a photo of the item on the ticket page.<br><b>You should see:</b> The ticket (RT number) names the DR, the customer and the branch that made the sale. You cannot return more than was sold. The auditors, Accounting, the Owner, the DR's sales associate and the other branches are told.                                                                                   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-40 | <b>Give the replacement for another branch's ticket</b><br><i>Flow F27 · Customer return and replacement ticket</i><br>1. Replacement Tickets → open a customer ticket made at another branch.<br>2. Press We gave the replacement → search another product (or keep the same) → Save.<br><b>You should see:</b> The replacement leaves your stock. The price difference against the DR is shown (customer pays or refund). The Head Auditor approves; then the ticket closes. A second branch cannot tick it again.                                                                                                                                                                          | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |

## Vito Cruz sales.vitocruz

Sales Associate. Runs one branch. Never sees supplier cost. Short check: the West Ave and Mayon accounts carry the full test; this account repeats the key steps for its own branch.

Sign in at <http://localhost:5173> · username **sales.vitocruz** · password **ChangeMe!2026** · 23 checks

| SA-26 | <b>What you cannot see or do</b><br>1. Look for Write-offs in the menu.<br>2. Look at any stock or sale page for cost.<br><b>You should see:</b> No Write-offs menu, no cost anywhere, no other branch.                                                                                                                                                                                                                                                                                                                                                                                                         | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-28 | <b>Choose the flavor / expiry and review the sale</b><br><i>Flow F18 · Flavors, expiry and the Owner's approval</i><br>1. New Sale → search an item: only items with stock at your branch are listed, with the quantity.<br>2. Pick an item with two flavors or expiry dates → choose one.<br>3. Type more than what is left of it.<br>4. Review sale → check every detail → Confirm and save sale.<br><b>You should see:</b> Items at 0 are not listed. The line shows the flavor, expiry and quantity left; too many shows a red warning. The sale is saved only after Confirm.                               | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-29 | <b>Review the Daily Sales Report before submitting</b><br>1. Daily Sales Report → Review report (Excel).<br>2. Submit today's report... → try I agree without ticking the review list.<br><b>You should see:</b> The button stays off until the four review items and the acknowledgement are ticked.                                                                                                                                                                                                                                                                                                           | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-30 | <b>Change a closed day</b><br><i>Flow F20 · Everyone told of a post-close edit</i><br>1. After submitting the Daily Sales Report: Daily Close & Deposit → Change a closed day → choose a sale.<br>2. Correct details (DR / SI no.), try to send without a reason, then choose a reason → Send.<br><b>You should see:</b> The card shows the approvers (Head Auditor and Asst Auditor). A reason is required. Nothing changes until approved.                                                                                                                                                                    | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-32 | <b>6-Pack sticker and redeeming a card</b><br><i>Flow F23 · 6-Pack Card and the override</i><br>1. New Sale → tick 6-Pack sticker given → type the customer name and mobile number → Save.<br>2. Open 6-Pack Card. Find the customer; when the stickers reach six, press Redeem a card, complete name, email and address → Redeem.<br>3. Open Daily Close and look at the expenses.<br><b>You should see:</b> A sticker is recorded for each supplement on the DR. The ₱300 card appears as a 6-Pack Card expense of your branch, tagged to the customer. Missing customer data stops you with a clear message. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| SA-33 | <b>Cash deposit with the slip</b><br><i>Flow F22 · Cash deposit slip and its two checks</i><br>1. Open Daily Close & Deposit. Look at the calendar: coloured days still have cash to deposit.<br>2. Press a coloured date (or the box beside the calendar). Choose the bank, type the amount, try Record deposit without a slip.<br>3. Attach the deposit slip → Record deposit. Look at the list of deposits below.<br><b>You should see:</b> Without the slip: "Attach the slip first." With it, the deposit is listed with View slip and its checking status (Audit, then Accounting).                                                                                                     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-37 | <b>Sell to a franchise (franchise price, plastic, shipping to follow)</b><br><i>Flow F26 · Sale to a franchise with shipping to follow</i><br>1. New Sale → channel FRANCHISE → choose the franchisee (for example Franchise Mayon).<br>2. Add a supplement and Plastic XL. Read the prices.<br>3. Change one price a little, then set it back. Under "Shipping charged to the franchise" choose To follow → Review sale → Confirm and save.<br><b>You should see:</b> No "may not sell at tier FRANCHISE" message. The franchise price fills in by itself; the plastic is charged (L ₱4, M ₱3, S ₱3, XL ₱5). The sale saves and the Franchise Coordinator is told the shipping is to follow. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-39 | <b>A customer returns an item: open a replacement ticket</b><br><i>Flow F27 · Customer return and replacement ticket</i><br>1. Replacement Tickets → Customer returned an item.<br>2. Type the DR number (or the customer name) → press the item line → quantity, reason, notes → Open the ticket.<br>3. Attach a photo of the item on the ticket page.<br><b>You should see:</b> The ticket (RT number) names the DR, the customer and the branch that made the sale. You cannot return more than was sold. The auditors, Accounting, the Owner, the DR's sales associate and the other branches are told.                                                                                   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-40 | <b>Give the replacement for another branch's ticket</b><br><i>Flow F27 · Customer return and replacement ticket</i><br>1. Replacement Tickets → open a customer ticket made at another branch.<br>2. Press We gave the replacement → search another product (or keep the same) → Save.<br><b>You should see:</b> The replacement leaves your stock. The price difference against the DR is shown (customer pays or refund). The Head Auditor approves; then the ticket closes. A second branch cannot tick it again.                                                                                                                                                                          | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |

## Warehouse store sales.wh

Sales Associate. Runs one branch. Never sees supplier cost. Short check: the West Ave and Mayon accounts carry the full test; this account repeats the key steps for its own branch.

| SA-26 | <b>What you cannot see or do</b><br>1. Look for Write-offs in the menu.<br>2. Look at any stock or sale page for cost.<br><b>You should see:</b> No Write-offs menu, no cost anywhere, no other branch.                                                                                                                                                                                                                                                                                                                                                                                                         | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-28 | <b>Choose the flavor / expiry and review the sale</b><br><i>Flow F18 · Flavors, expiry and the Owner's approval</i><br>1. New Sale → search an item: only items with stock at your branch are listed, with the quantity.<br>2. Pick an item with two flavors or expiry dates → choose one.<br>3. Type more than what is left of it.<br>4. Review sale → check every detail → Confirm and save sale.<br><b>You should see:</b> Items at 0 are not listed. The line shows the flavor, expiry and quantity left; too many shows a red warning. The sale is saved only after Confirm.                               | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-29 | <b>Review the Daily Sales Report before submitting</b><br>1. Daily Sales Report → Review report (Excel).<br>2. Submit today's report... → try I agree without ticking the review list.<br><b>You should see:</b> The button stays off until the four review items and the acknowledgement are ticked.                                                                                                                                                                                                                                                                                                           | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-30 | <b>Change a closed day</b><br><i>Flow F20 · Everyone told of a post-close edit</i><br>1. After submitting the Daily Sales Report: Daily Close & Deposit → Change a closed day → choose a sale.<br>2. Correct details (DR / SI no.), try to send without a reason, then choose a reason → Send.<br><b>You should see:</b> The card shows the approvers (Head Auditor and Asst Auditor). A reason is required. Nothing changes until approved.                                                                                                                                                                    | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-32 | <b>6-Pack sticker and redeeming a card</b><br><i>Flow F23 · 6-Pack Card and the override</i><br>1. New Sale → tick 6-Pack sticker given → type the customer name and mobile number → Save.<br>2. Open 6-Pack Card. Find the customer; when the stickers reach six, press Redeem a card, complete name, email and address → Redeem.<br>3. Open Daily Close and look at the expenses.<br><b>You should see:</b> A sticker is recorded for each supplement on the DR. The ₱300 card appears as a 6-Pack Card expense of your branch, tagged to the customer. Missing customer data stops you with a clear message. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| SA-33 | <b>Cash deposit with the slip</b><br><i>Flow F22 · Cash deposit slip and its two checks</i><br>1. Open Daily Close & Deposit. Look at the calendar: coloured days still have cash to deposit.<br>2. Press a coloured date (or the box beside the calendar). Choose the bank, type the amount, try Record deposit without a slip.<br>3. Attach the deposit slip → Record deposit. Look at the list of deposits below.<br><b>You should see:</b> Without the slip: "Attach the slip first." With it, the deposit is listed with View slip and its checking status (Audit, then Accounting).                                                                                                     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-37 | <b>Sell to a franchise (franchise price, plastic, shipping to follow)</b><br><i>Flow F26 · Sale to a franchise with shipping to follow</i><br>1. New Sale → channel FRANCHISE → choose the franchisee (for example Franchise Mayon).<br>2. Add a supplement and Plastic XL. Read the prices.<br>3. Change one price a little, then set it back. Under "Shipping charged to the franchise" choose To follow → Review sale → Confirm and save.<br><b>You should see:</b> No "may not sell at tier FRANCHISE" message. The franchise price fills in by itself; the plastic is charged (L ₱4, M ₱3, S ₱3, XL ₱5). The sale saves and the Franchise Coordinator is told the shipping is to follow. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-39 | <b>A customer returns an item: open a replacement ticket</b><br><i>Flow F27 · Customer return and replacement ticket</i><br>1. Replacement Tickets → Customer returned an item.<br>2. Type the DR number (or the customer name) → press the item line → quantity, reason, notes → Open the ticket.<br>3. Attach a photo of the item on the ticket page.<br><b>You should see:</b> The ticket (RT number) names the DR, the customer and the branch that made the sale. You cannot return more than was sold. The auditors, Accounting, the Owner, the DR's sales associate and the other branches are told.                                                                                   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| SA-40 | <b>Give the replacement for another branch's ticket</b><br><i>Flow F27 · Customer return and replacement ticket</i><br>1. Replacement Tickets → open a customer ticket made at another branch.<br>2. Press We gave the replacement → search another product (or keep the same) → Save.<br><b>You should see:</b> The replacement leaves your stock. The price difference against the DR is shown (customer pays or refund). The Head Auditor approves; then the ticket closes. A second branch cannot tick it again.                                                                                                                                                                          | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |

| AF-02 | <b>Told of extension requests and AR changes</b><br><i>Flow F21 · Franchise AR: penalty, extension, payment</i><br>1. Open Notifications after a franchise asks for an extension, or after a transfer to a franchise is corrected.<br><b>You should see:</b> You have a notice with the franchise, the invoice and the amount. Extension requests are decided by the Owner.                                                                                    | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AF-03 | <b>Overdue invoices and penalty</b><br><i>Flow F21 · Franchise AR: penalty, extension, payment</i><br>1. Franchise AR → look at an invoice past its due date.<br><b>You should see:</b> Penalty (2% once) and interest (0.1% a day) are shown, and the total due today. Use this to remind the franchise owner.                                                                                                                                                | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AF-04 | <b>Write a memorandum to franchisees</b><br><i>Flow F24 · Memorandum</i><br>1. Open Memorandums → Write a memo → Who it is for: franchise owners and/or franchise associates → write → add signers → Issue the memo.<br><b>You should see:</b> The memo is numbered, printable, and every franchise addressed is told.                                                                                                                                         | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AF-05 | <b>What you cannot see or do</b><br>1. Look at the menu. Try to open Products cost, Journal entries, Payroll.<br><b>You should see:</b> None of these are in your menu. Cost, payroll and accounting stay closed to you.                                                                                                                                                                                                                                       | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AF-06 | <b>Change your own password</b><br>1. Press the key icon at the top right (Change my password).<br>2. Type the current password and a new one of 10 or more characters, twice → Change password.<br>3. Sign out and sign in again with the new password. Then change it back to ChangeMe!2026 for the next tester.<br><b>You should see:</b> The new password works. Nobody else can see it. HR receives a notice that you changed it (not the password).      | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AF-07 | <b>Record a franchise sale</b><br><i>Flow F26 · Sale to a franchise with shipping to follow</i><br>1. New Sale → the branch shows the warehouse. Channel is FRANCHISE only; payment is AR / PDC or Online.<br>2. Choose the franchisee, add items and Plastic L. Pick Shipping: To follow → Review sale → Confirm.<br><b>You should see:</b> Franchise price and plastic price fill in by themselves. Other channels and Cash are not offered. The sale saves. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |

| AH-02 | <b>Reject with a reason</b><br><i>Flow F5 · Credit sale and collection</i><br>1. On another AR payment press Reject.<br>2. Try without a reason, then pick 'Wrong amount' (or type another).<br><b>You should see:</b> A reason is required. The branch sees it in its notification.                                                                                                                                                                                                                                                                   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AH-03 | <b>Edit a journal entry</b><br>1. Journal Entries → open one → Edit entry → change lines (unbalanced first, then balanced) → reason → Save.<br><b>You should see:</b> Unbalanced lines are refused. The maker and the Owner are notified.                                                                                                                                                                                                                                                                                                              | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AH-04 | <b>Trial balance and period lock</b><br><i>Flow F13 · Month-end lock</i><br>1. Trial Balance.<br>2. Periods & Opening → request a period lock.<br><b>You should see:</b> Beginning balances show. The lock waits for the Owner.                                                                                                                                                                                                                                                                                                                        | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AH-05 | <b>Close payroll</b><br><i>Flow F12 · New employee to payroll</i><br>1. Payroll → HR's finalized run → choose the paying bank account → Close.<br><b>You should see:</b> The run is closed and posted.                                                                                                                                                                                                                                                                                                                                                 | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AH-06 | <b>E-commerce payout</b><br><i>Flow F11 · E-commerce order to payout</i><br>1. My Approvals → TikTok payout → check the ✓ line → Approve.<br><b>You should see:</b> Sales, each fee, withholding tax, payout and cost of sales are posted.                                                                                                                                                                                                                                                                                                             | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AH-07 | <b>Bank &amp; Office</b><br>1. Record a bank entry with Gcash (GWS) or a bank.<br><b>You should see:</b> A journal voucher is created.                                                                                                                                                                                                                                                                                                                                                                                                                 | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AH-08 | <b>Enter opening AR (before GWS-ERP)</b><br><i>Flow F17 · Opening AR from before GWS-ERP</i><br>1. AR & Collections → Opening AR → + Enter opening AR.<br>2. West Ave, Dealer, a dealer, DR/SI, invoice date last June, due date last July, balance → Send for the Owner's approval.<br>3. Enter a second one with 'There is a PDC' (bank, cheque no., date).<br>4. Try an invoice date in the future, and the same DR/SI again.<br><b>You should see:</b> Both wait for the Owner. The future date and the repeated DR/SI are refused with a message. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                        | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| AH-09 | <b>Approve and release an agent incentive</b><br><i>Flow F19 · Agent incentive</i><br>1. My Approvals → Agent incentive → Approve.<br>2. After HR marks it signed: Agent Incentives → Tag as released → GCash, reference, date.<br><b>You should see:</b> The status becomes Released with the mode and reference; the agent, HR and the Sales Manager are told.                                                                                          | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AH-10 | <b>Record a franchise payment</b><br><i>Flow F21 · Franchise AR: penalty, extension, payment</i><br>1. Open Franchise AR → a franchise → Record payment.<br>2. Type the amount, date received, paid by and deposited to → save.<br><b>You should see:</b> The payment settles the penalty first, then the interest, then the goods. The invoice balance and the journal entry follow.                                                                     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AH-11 | <b>Second check of a deposit slip</b><br><i>Flow F22 · Cash deposit slip and its two checks</i><br>1. Open My Approvals → Cash deposit slip (accounting) after the Audit Associate approved it.<br>2. Compare the slip with the bank deposit → Approve or Reject with a reason.<br><b>You should see:</b> The deposit is then complete. A rejection returns it to the branch.                                                                             | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AH-12 | <b>Waive penalty or interest</b><br><i>Flow F21 · Franchise AR: penalty, extension, payment</i><br>1. Franchise AR → an invoice with a penalty → Waive charges → amount and reason.<br><b>You should see:</b> The charges drop by that amount; the waiver and reason are recorded. The Owner and auditors are told.                                                                                                                                       | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AH-14 | <b>Change your own password</b><br>1. Press the key icon at the top right (Change my password).<br>2. Type the current password and a new one of 10 or more characters, twice → Change password.<br>3. Sign out and sign in again with the new password. Then change it back to ChangeMe!2026 for the next tester.<br><b>You should see:</b> The new password works. Nobody else can see it. HR receives a notice that you changed it (not the password). | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| AH-15 | <b>Shipping invoice of a franchise</b><br>1. Franchise AR → open an invoice marked "shipping charge" → Record payment.<br><b>You should see:</b> It is paid like any franchise invoice (penalty, interest, then the charge).                                                                                                                                                                                                                              | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                         | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| AH-16 | <b>Notified of replacement tickets and differences</b><br><i>Flow F27 · Customer return and replacement ticket</i><br>1. Open Notifications and Replacement Tickets.<br><b>You should see:</b> You see every ticket, its price difference, when it was settled and every supplier arrival. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

The menu shows only the screens for this role.                                                                                                                                                    | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| GEN-02   | <b>Help &amp; Guide and picture guide</b><br>1. Open Help & Guide.<br>2. Open Picture guide (screenshots).<br><b>You should see:</b> My guide shows the steps for this role only. The picture guide opens with numbered red boxes.                                                                                                                                                                                                          | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| GEN-SRCH | <b>Search a list</b><br>1. Open a list with six or more rows (for example Sales List, Cash Fund or Chart of Accounts).<br>2. Type part of a name, number or product in Search this list.<br><b>You should see:</b> Only rows that contain every word you typed are shown; clearing the box shows all rows again.                                                                                                                            | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| GEN-MEM  | <b>Member page for customers (phone)</b><br>1. Open /member on a phone.<br>2. Become a member with your own mobile number, tick the agreement, create the account.<br>3. My card → the QR code and member number. Ask the counter to tag a sale to you, then My purchases.<br><b>You should see:</b> The QR card shows; after a tagged sale the purchase appears with its items. Sign out and in again with the mobile number and password. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| EC-01    | <b>Orders → draft pull-out</b><br><i>Flow F11 · E-commerce order to payout</i><br>1. E-commerce → TikTok Shop → 1. Orders → GWS orders template → two orders → upload.<br>2. Upload the same file again.<br><b>You should see:</b> One draft pull-out from the Warehouse. The second upload skips the orders already in.                                                                                                                    | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                                                                                                                                                                                                        | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| EC-02 | <b>New SKU match</b><br>1. Upload a file with a platform SKU that is not a GWS SKU → pick the GWS product → upload again.<br><b>You should see:</b> The match is remembered under SKU matches.                                                                                                                                                                                                                                                            | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| EC-03 | <b>Submit the pull-out</b><br><i>Flow F11 · E-commerce order to payout</i><br>1. Open the draft → remove a cancelled order → Print picking list → Submit to the Warehouse In-Charge.<br><b>You should see:</b> Items re-total. You are notified when the In-Charge approves.                                                                                                                                                                              | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| EC-04 | <b>Payout</b><br><i>Flow F11 · E-commerce order to payout</i><br>1. 2. Payouts → GWS payout template → upload → check ✓ → Send to Accounting.<br><b>You should see:</b> Net sales – fees – refunds – tax = payout. It waits for the Accounting Head.                                                                                                                                                                                                      | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| EC-05 | <b>Return and ads</b><br><i>Flow F11 · E-commerce order to payout</i><br>1. 3. Returns → order ID → reason → Record the return.<br>2. 4. Ads → record ₱1,000.<br><b>You should see:</b> The In-Charge sees the parcel. Ads add up per month.                                                                                                                                                                                                              | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| EC-06 | <b>Platforms kept apart</b><br>1. Repeat on Shopee and Lazada. Open the profit report.<br><b>You should see:</b> Each platform has its own orders, payouts and totals. No cost is shown.                                                                                                                                                                                                                                                                  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| EC-07 | <b>Waybill report</b><br><i>Flow F25 · Waybills to e-commerce report</i><br>1. Open Waybill Report.<br>2. Upload the shipping label PDFs (TikTok, Shopee, Lazada).<br>3. Choose the product for each label → Confirm. Press Download Excel.<br><b>You should see:</b> Each label shows order, tracking, quantity and weight. The report gives SRP, platform fees and total order income per platform. The same platform and weight is remembered.         | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
| EC-09 | <b>Change your own password</b><br>1. Press the key icon at the top right (Change my password).<br>2. Type the current password and a new one of 10 or more characters, twice → Change password.<br>3. Sign out and sign in again with the new password. Then change it back to ChangeMe!2026 for the next tester.<br><b>You should see:</b> The new password works. Nobody else can see it. HR receives a notice that you changed it (not the password). | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |

| No.   | What to do and what you should see                                                                                                                                                                                                                                | Pass                     | Fail                     | N/A                      | Notes (what went wrong) |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|-------------------------|
| EC-10 | <b>Products with platform prices come first</b><br>1. E-commerce → find a product (SKU match or pull-out) and open E-com & Card Prices.<br><b>You should see:</b> Products with a TikTok / Shopee / Lazada price are listed first; those with none at the bottom. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |                         |
