Sales Associate (branch)

You run one branch: sales, expenses, stock received and sent, the weekly count, the end-of-day report and the bank deposit. You never see supplier cost.

Start of the day

1. Sign in with your own account (never share it). Open the **Dashboard**.
2. Read the red and amber cards first:
 - **Weekly count sheet** not yet done this week.
 - **Discrepancy** with days left to explain (in bold red).
 - **Cash on hand** not yet deposited, and its deadline.
 - **My charges** to acknowledge.
3. Check **Price updates** for new selling prices that apply to your branch.

- 1 Open **Help & Guide** from the menu.
- 2 **My guide** has the step-by-step guide for your own role.
- 3 Type a question in the **Ask** box.

Rejecting with a reason signed in as acct.head

The screenshot shows the 'My Approvals' page in the GWS ERP system. A modal titled 'Why is this payment rejected?' is open, displaying a list of reasons for rejection. The first reason, 'Wrong amount (does not match the proof)', is selected and highlighted with a red circle and the number 1. A second red circle with the number 2 points to the 'More details (optional)' text input field. A third red circle with the number 3 points to the 'Reject payment' button. The background shows a list of approvals, including one for 'Aisha S' with a 'PROOF OF PAYMENT' from GCash for P495.00. The interface includes a sidebar with navigation options like 'Dashboard', 'Sales List', and 'Expenses', and a top header with the user's name 'Accounting Head'.
